

Association Teams 2011-2012

(Team Leader – TL)

Self Directed Teams are ministry/fellowship groups consisting of Team Members who share a common spiritual passion and/or a common interest. These Teams are not voted upon by the Association (with the exception of the Leadership and Trustee Teams) and continue as long as the ministry/fellowship groups maintain their viability. These Teams may request and receive association ministry funds. Such requests are made to the Leadership Team which grants or denies funding upon consultation with the Finance Team.
